BROKERAGE & MGA

Conway represents the majority of the program and brokerage markets in the country. We place property and casualty lines of coverage for all types and sizes of cannabis and ancillary businesses.

With a service-first approach, we believe in co-representing the insureds with our brokers. We are committed to aligning the most appropriate resources and delivering the best solutions the market can bear.

Our team provides a comprehensive approach to placing licensed cultivators & growers, extractors & processors, wholesalers, dispensaries, and retailers (CBD & ancillary products in all states.)

EXCLUSIVE PROGRAMS

Trichome is an exclusive cannabis dispensary program available to insurance agents & brokers nationally, offered exclusively through Conway Cannabis (appointment with Conway E&S required).

The Trichome program offers property, general premises liability and products liability coverage to cannabis dispensaries with integrated cultivation and includes a suite of additional coverage enhancements to ultimately provide the most robust and comprehensive dispensary solution in the marketplace. Trichome's goal is to continue to expand and improve upon the rapidly evolving cannabis marketplace by providing solutions that are quickly & easily accessible through online channels, holistically underwritten & accurately priced, and supported by unparalleled risk management.
